MATHEMATICS FOR A LEVEL BIOLOGY

Wednesday 31st January
4:15 - 5:45pm

This course covers mathematical skills required for the reformed biology AS and A level qualifications, including:

- **Working with percentages**
- **Measurement error**
- **Error and range bars**
- **Rates of change from graphs**
- **Statistical tests**

The course will be delivered by a maths teacher, so will go through when and how students cover the above concepts, as well as the methods commonly taught in maths departments.

Venue:

Chestnut Grove Academy
45 Chestnut Grove, Balham
London, SW12 8JZ
