

The Summer Conference!

Counting the Days...

Presenter Bio's

Steve Wren, HMI, maintained schools and academies

Steve is Ofsted's subject lead for mathematics. He is a qualified teacher with extensive secondary school leadership experience, and most recently was director of key stage 3 in a large comprehensive school. As a specialist leader of education, he supported schools with subject leadership, assessment and school improvement. Steve is part of the curriculum unit and has been a subject leader in 2 large secondary schools. He has lectured on initial teacher training programmes and, as a county mathematics consultant, supported the work and development of provision across a diverse range of schools.

Dr Debbie Morgan CBE, Director for Primary Mathematics (NCETM)

Debbie Morgan holds a national role as Director of Primary Mathematics at the National Centre for Excellence in Teaching Mathematics. She has previous experience as a Primary teacher, Headteacher, Mathematics Advisor and Senior University Lecturer in Mathematics Education. Her current responsibilities include providing advice and expertise to the Department for Education regarding the development and implementation of mathematics policy across England. She has been the mathematics consultant on the BAFTA award winning BBC programme 'Numberblocks' since its creation and regularly receives requests to speak at conferences across the country. In 2020, Debbie was awarded a CBE for services to education in the Queen's Birthday Honours.

Jo Morgan, Director of Maths at Harris Academy Sutton and writer of resourceaholic.com

Jo Morgan is currently Head of Maths at Harris Academy Sutton. She changed career to become a teacher in 2009 and since then has held various roles including Key Stage 5 Coordinator, Lead Practitioner, Maths Consultant and Assistant Principal. Jo's popular website, resourceaholic.com, has shared teaching ideas and resources since 2014. Jo is a member of the MEI Curriculum Committee and AQA's Expert Panel and a Trustee of the Mathematical Association. She is a frequent speaker at conferences and the writer of the popular Topics in Depth series. Jo is also the author of "A Compendium of Mathematical Methods".

Gareth Metcalfe, Director of I See Maths, primary maths consultant and author

Gareth Metcalfe provides training and resources that help primary school children to build a deep, conceptual understanding of mathematics. Gareth is the author of the I See Reasoning and I See Problem-Solving resources, helping schools to put reasoning and problem-solving at the heart of the maths curriculum.

Gareth is an NCETM CPD Standard Holder and an experienced school leader. He is currently teaching in a range of schools from Reception to Year 6 as well as delivering training nationally. Gareth's practical ideas and innovative resources help primary teachers to build deep mathematical reasoning into their day-to-day maths lessons.
