

# Secondary Maths MAT Leads

Maths Hubs Network  
Collaborative Projects  
2021/22

## NCP21-16

## Outline

This project offers focused support to those who lead mathematics across multiple schools within a MAT, to enable them to better understand and develop effective maths pedagogy approaches across those schools. It will also support participants to develop their role as a leader of system change, curriculum change, and teacher professional development.

Whilst those who lead maths across a MAT are often the subject lead for both primary and secondary, the key focus for this programme is their work with secondary teachers, although consideration will be given to transition and how the different phases relate to each other. Additionally, focusing on developing skills with one phase is likely to impact positively on work with other phases. Participants will engage with a centrally-led programme offered nationally, with the potential for regional provision dependent on numbers.

## Information

### What is involved?

**There will be a single programme model which will have the following elements:**

- three one-day national/regional workshops
- online community
- participants carrying out and evaluating their own improvement initiatives, both in and between sessions.

The programme will be delivered nationally or, if numbers permit, in regional locations in the North, Midlands and South.

### Who can take part?

The project is for those who lead maths across multiple schools within a MAT, including at least one secondary school.

### Dates and location

**The Work Group will be run across 4 days.**

**Day 1 - Thursday 2 December 2021**  
10.30am – 4pm venue tbc

**Day 2 - Tuesday 11th January 2022**  
4pm – 5.30pm Online

**Day 3 - Thursday 10th March 2022**  
10.30am – 4pm venue tbc

**Day 4 - Wednesday 13th July 2022**  
9am – 5pm Online

### How to Apply

Please complete the London South West Maths Hub [online booking form](#) to secure a place in the Work Group.

If you require any more information please contact us by email to discuss your application.

[admin@londonsouthwestmathshub.co.uk](mailto:admin@londonsouthwestmathshub.co.uk)

### What are the benefits?

**Participants will:**

- ✓ promote and develop a shared vision for effective teaching and learning in maths
- ✓ ensure that there are approaches in place to support the work of all secondary departments within their MAT through continuing professional development and collaborative working across the MAT
- ✓ work with subject leaders across their MAT to lead and manage maths teaching effectively and to develop teaching for mastery approaches within their own departments
- ✓ understand the benefits of collaborative professional development for sustained development of professional knowledge and practice within a department and across groups of schools.

### What is the cost?

The Secondary Maths MAT Leads project is fully funded by the Maths Hubs Programme so is free to participating schools.

## Covid-19 Recovery

Many positive lessons were learnt from online collaboration during Maths Hub activity in 2020/21. These will be built upon in 2021/22.

As the impact of the pandemic hopefully recedes, the result for Maths Hubs work may be a blend of face-to-face activities and frequent online collaboration.
